Dear "Red" Raborn:

Over the past two years, [] of your staff provided valuable assistance to my predecessor, Dr. Harold Borwn, as a member of the Strategic Weapons Advisory Panel. We have recently organized a similar advisory group as the Penetration Panel of the Defense Science Board. I would very much appreciate it if it were possible for [] to continue to give us the benefit of his background and sound judgment as an advisor to this new panel. The demands on his time should be minimal, probably amounting to five or six days this year.
